Spring Term 2016

29/4/16

Queen's 90th Birthday Celebrations

As many of you will know, the Queen celebrates her 90th birthday this year. Brayton Parish Council are organising an outdoor family event on Brayton Green which will take place on 12th June at 2-5pm. There will be a magician, Punch and Judy and many more things, including the opportunity to buy an afternoon cream tea. If you would like to go along with the family, I am sure it will be a great afternoon.

The council are running a competition too - Design a birthday cake (on paper only) which is 'fit for a queen'. If your child would like to take part in this competition, they can collect an entry form from the school office. All entries must be returned to school by Thursday 2nd June so that they can be collected for judging.

WEAR IT WILD DAY

One of our KS2 children has asked whether our school can participate in 'Wear it Wild Day' on Friday May 27th. This is a charity event organized by the World Wildlife Fund to raise funds for their cause. If your child would like to take part in this event, they can come to school on 27th May dressed as an animal. The children can either wear an entire costume, just a token such as ears or headwear or they may choose to not participate in which case they should wear school uniform. If your child does join in, please send a small donation which we will pass directly to the WWF. Thank you.

Drinks and water bottles

As the weather warms up (although as I type the news is reporting snow showers in some parts of the county today!) we are experiencing issues with ants in classrooms. They are being attracted by bottles of juice brought into school for drinking in the classroom. Please can you ensure that your child's bottle is ONLY filled with water to try and help us alleviate this issue? Thank you.

Another Sporting Win!

Longman's Hill is on a high at the moment. After recent wins in football and gymnastic tournaments, our cricket team have won the local competition. They will now go onto play other schools from the county. The ten children who participated had to battle teams from six other locals schools AND SNOW! Good luck everyone- we will keep our fingers crossed for warmer weather next time!

Dates for Your Diary- Summer term

Week beginning 9/5/16 - KS2 SATs week
 Week beginning 16/5/16 - KS1 SATs week
 27/5/16- Y6 trip to Sheffield University science event
