

PE SPENDING & IMPACT AT LONGMAN'S HILL 17/18- final review 01/09/18

Objective	Project	% spend	Impact
To engage more children in competition	Selby Cluster sports package Cluster competitions	£308	Children across school were engaged in a range of sporting activities. All pupils in receipt of PP participated in at least one event.
To enable more children to participate in a range of <b>extracurricular clubs (NB PE funding does not pay for the cost of coaches delivering lessons in curriculum time)</b>	Fit4Fun after school clubs- 4 x am clubs, 3 x after school / week including:	£9179	More children participated in a range of clubs. School achieved the Active games Mark – silver standard.
To ensure all children are able to participate fully in PE by providing PE kit for some children	PE kit	£48	Children did not miss P.E sessions due to lack of kit. All pupils offered 2 hours PE lessons per week in curriculum time.
To add to the range of sports being offered and extend the level of current sports on offer in PE	PE equipment  Rugby Mega fest fee  Dance festival participation every child in school  Rock climbing and bowling Swimming and multiskills event Cross country event  Kwik cricket Change for life festival  Blind football	£385 £30  £ 860 £27 £20 £38 £45 £22.50 £22.50	A wide range of sporting opportunities are being offered to children in our school.  A specialist dance teacher taught each class and provided CPD for staff.  These sporting events specifically targeted pupil premium children, SEND children and less active children for these events, all of which were well attended by pupils from our school.
To further develop skills in swimming of children already meeting the NC standard.	Swimming sessions	£458	29/30 children in Y6 left school having met the national curriculum standard in Summer 2018.
To ensure PE is inclusive for all pupils including those with SEN	Fund 1:1 TAs for after school sports club x 2 hours per week over school year	Aut-£176 Spr £232 Sum £155	SEND children were able to participate more easily in clubs, raising participation percentage.
To further develop and extend the provision in school for OAA / Forest school	Funded purchase and install of outdoor learning classroom for OAA- Phase 1	£5000	This is a long term project over 2 years due to the large amount of funding required. The profile of OAA will be raised. Children will be active in lessons other than PE.

To raise the profile of P.E across school	New Sporting kit bought with the new logo.	£245	Children are keen to represent the school in competitions. High standards are set when participating in competitions and representing the school.
To ensure staff are trained about new initiatives to raise activity in lessons.	Active maths course	£200	Maths lead attended a P.E course to raise the profile of P.E across school and make other subjects as active as possible.
To run a Jump start Johnny club and ensure Jumpstart Johnny is used across school as another tool for keeping children active.	Jump start Johnny package	£206.00	More children across school are participating in physical activity with Jump start Johnny. This club appeals to a wider group of children, particularly from the younger age group.
To ensure P.E is inclusive for all pupils including those with physical SEND needs by having a range of balls and suitable equipment.	Footballs	£200.00	More children are able to improve their football skills by having the correct equipment.
