Summer Term 2018

06/07/18

## Open Evening

As usual we will be opening the school on the evening of Monday 16<sup>th</sup> July to parents and carers who wish to come and have a final look through children's work and perhaps see their child's new classroom and, where possible, meet their new teachers. This is a non-appointment evening; although class teachers will be available to speak to there will not be any set formal appointments. The children will be bringing their school books home to keep at the end of the academic year so there will also be plenty of opportunity for you to peruse books over the summer! We look forward to welcoming you from 3.30pm to 5.30pm.

## Summer Fayre Thanks

The summer fayre was a huge success and we raised a fantastic amount of money- just over £1443. Many thanks to those staff and parents who came to help and to Mrs Richardson for overseeing the organisation of the event. This money will be put to good use as we continue to save and fun raise for our outdoor learning resource centre.

## Dropping children- a polite request

Please can parents of children in EYFS and KS1 ensure that children are seen into school by a parent or carer. We have one or two children each day who are dropped off at the gates and are not always making it into the school building. Many thanks.

## Book Hunt!

Each year we spend a considerable amount of money purchasing new reading books for the children to read and enjoy. Over the last two years, we have purchased a lot of titles off our 'Recommended Reads' list for each year group. Sadly, we have noticed that a number of these have been borrowed by children to read at home but have not been returned. Please can we ask that over the weekend (or summer holidays) you have a book hunt at home for any school books; they will all have the school stamp inside the front cover. Books can be returned to school without issue, regardless of how long you have had them! Many thanks.

**POLITE REMINDER: LONGMAN'S HILL IS A NUT FREE SCHOOL**
