## **"GROWING HEARTS AND MINDS TOGETHER"**

Dear Parents

### **LOCAL EDUCATIONAL VISIT**

At various times throughout the year educational visits within the locality are organised; for risk assessment purposes, we refer to these visits as being within the 'Local Learning Area'. Our local learning area boundary can be seen on the map below. It includes some venues which we visit frequently such as St Wilf's church, Brayton Academy, Selby High School, Selby College, the town centre eg the library, Selby Abbey, Selby Leisure centre. Other venues may also be visited within this local learning area boundary. The venues may be added to during the year, if the need arises, but risk associated with additional venues will not exceed that which is expected for the existing venues and therefore we will assume consent on this basis.

All such visits are carefully planned and staffed and take place during the normal school day. We will not send out individual consent forms for these visits unless travel to the venue is by car. Please indicate your agreement for your child to participate in these essential activities by completing the attached permission slip. Visits further afield will also be organised from time to time; you will be notified separately with specific permission sought for educational visits of this type.

### **PERSONAL ACCIDENT INSURANCE**

The Education Authority strongly recommends that school takes out personal accident insurance for all children. The premiums cover the child during all school activities including extra-curricular and educational visits. The governors have agreed to cover these costs from the budget rather than pass on to parents.
