Are you eligible?

Are you missing out on help with school lunches, uniform, free holiday clubs and paying for trips?

With the cost-of-living crisis, everybody is feeling the pinch. We believe that many of our families may be missing out on vital extra funding.

Do you receive any of the following?

- Universal Credit, provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods (£616.67 per month)
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- support under part six of the Immigration and Asylum Act 1999
- the guarantee element of Pension Credit
- Child Tax Credit, provided you are also not entitled to Working Tax Credit and have an annual household gross income that does not exceed £16,190 (as assessed by HMRC)
- Working Tax Credit run-on, paid for four weeks after you stop qualifying for Working Tax Credit

If so, you could save up to £450 a year with free school meals for your child.

At our school, you will also receive £50 a year (in September on production of receipts) to spend on school uniform for your child, along with other potential savings on such things as the cost of school trips! You would also receive vouchers from North Yorkshire Council's FEAST initiative, which provides free places and a free meal for eligible children in a range of holiday activities.

If you think you might be eligible, scan the QR code below and scroll down to 'apply for free school meals' button. You will receive an instant decision on whether your application is successful. If your child already receives a free school lunch, simply because they are in Early Years, Year 1 or Year 2, you should still check if you are eligible so you can receive the additional benefits.
