"GROWING HEARTS AND MINDS TOGETHER"

4th September 2025

Dear Parents

The school photographer will be in school the morning of Thursday 11th September to take individual photos of each child.

Family groups (only siblings within school) will also be taken, but there is no obligation for you to buy.

In line with GDPR (General Data Protection Regulations) we need to inform you that your child's photograph will be stored on the SD card & server of the photography company, Phototronics. This is how they have always stored these photographs but we now need to make you aware of that fact.

If for any reason you do not want your child to be photographed, please inform the office no later than Wednesday 10th September.

Yours sincerely

Mrs J Elcock
Headteacher
