Parents who have joined classes on previous maths sessions have given very positive feedback on how much they have enjoyed themselves. So, why not give it a try?

In response to feedback, if you would like to volunteer your time, you are welcome to join another class other than your own child's. Please complete the form attached so we have an idea of numbers.

If you have any questions please come and see me or your child's class teacher.

Many thanks

Mrs J Elcock
