"GROWING HEARTS AND MINDS TOGETHER"

Thursday 5th February 2026

Dear Parents and Carers,

I am excited to let you know that on Thursday 12th March, our pupils will be taking part in a special Forensics Workshop in school.

During this hands-on session, the children will take on the role of junior detectives, using their scientific skills to analyse clues, examine evidence, and solve a light-hearted mystery: which of our suspects has "dognapped" the prize pooch on the eve of the local dog show?

The workshop is designed to be fun, engaging, and educational, helping the children to apply their knowledge of science, problem-solving, and teamwork in an imaginative way.

To help cover the cost of running the workshop, we are asking for a voluntary contribution of £3 via parent pay from each family. Your contributions will go directly towards supporting this enriching learning experience. The remaining cost of the workshop will be covered by funds raised by the school.

Thank you, as always, for your continued support. We are very much looking forward to an exciting day of investigation and discovery!

Kind Regards,

Eleanor Bustard
